PRESS RELEASE

TALES FROM THE ALLOTMENT

Ledbury Allotment Association is hosting an illustrated talk by Terry Walton - **Allotment tips from the Jeremy Vine Allotment** on Wednesday 21 March, 7.30pm at The Market Theatre, Ledbury.

Tickets are £5.00 from The Market Theatre, www.themarkettheatre.com/box-office or 07967 517125.

Terry can regularly be heard on Jeremy Vine's BBC Radio 2 show providing gardening tips to listeners. Since the age of four, when Terry's dad first took him to his allotment, he's had a 'growing' desire to garden. Terry took his first allotment aged 11 and has been on the same allotment site for over 50 years.

He's a born again organic gardener having seen the error of his ways in the late 1960's and dispensed with using chemicals, now growing all his produce using all-natural means of nourishing them.

Terry retired in 2001 and by some very fortunate means started broadcasting from his allotments on the, then new, Jeremy Vine show.
