Come to Blossomtime simply to enjoy this wonderful stretch of countryside. Fields, orchards and woodland create a living farming patchwork. ## Blossomtime

Here is a special springtime opportunity to enjoy the lovely countryside and orchards of the Marcle Ridge area of Herefordshire, where local orchards are famous both for their cider fruit and their dessert and culinary fruit.

The events are based around a grand cider tasting in Putley Village Hall, where you will find an array of traditional ciders and perries from Herefordshire and surrounding counties, together with some of the makers for you to meet.

Blossomtime is not just for cider enthusiasts, there are also apple juices to taste. You can enjoy a walk through the orchards around Putley, with or without a guide, then refresh yourselves with excellent homemade food. Walk across the orchards to Aylton to visit the refurbished Manorial Barn and Aylton Church.
